Prime Minister Imran Khan calls on President Dr. Arif Alvi

ISLAMABAD; JULY 29, 2019: Prime Minister Imran Khan called on President Dr. Arif Alvi and briefed him on his recent visit to United States of America. The President commended the Prime Minister on the successful completion of his visit and termed it a huge success in terms of effectively conveying Pakistan's narrative on issues of regional and international importance. He said that such high-level visits are of paramount significance and hoped that this successful visit will further strengthen the relations between the two countries.
