Parliamentary Delegation from United Kingdom calls on President Dr. Arif Alvi

Islamabad, August 27, 2019: Fascist, unilateral move by the Indian Government in Indian Occupied Kashmir (IOK) has put regional and international peace at risk and the human rights organizations across the world are alarmed at the grave human rights situation, due to the clampdown by the brutal Indian forces on the basic civil liberties of oppressed Kashmiris, which is deteriorating every passing day, said President Dr. Arif Alvi, while talking to the Parliamentary Delegation from United Kingdom, led by Mr. Khalid Mahmood, who called on him at the Aiwan-e-Sadr, Islamabad today. Speaker, National Assembly, Asad Qaiser and Chairman, Kashmir Committee, Fakhar Imam were also present in the meeting.

The President said that there were serious questions about Indian claims of being the biggest secular democracy, as the Indian minorities were insecure and living under severe fear of being persecuted by the fanatic Hindus. He emphasized that the world community must take notice of the high-handedness of the Indian forces and RSS goons in IOK. He called upon the British Parliamentary Delegation to create awareness among the public at large about the human rights violations in IOK and sought their support to fully expose the fascist face of Indian regime, where minorities are bestially persecuted.

The delegation thanked the Speaker and Chairman Kashmir committee for arranging their visit to Pakistan, which made it possible to get the true picture of the situation.
